

# Scheme of Delegated Authority

## September 2025-August 2026

## **Trust Board Delegation to the Executive Team**

The Trust's Board and its committees seek to ensure that the strategic direction of the Trust is appropriate and that the Trust is well managed. Trustees recognise that the Executive Team must have the flexibility to respond quickly to ensure that the best educational provision is delivered at all times. Decisions regarding appointing staff within Academy budgets and deploying central resources are the responsibility of the Executive and Headteacher teams. The Chief Executive has regular meetings with the Chair. Other Trustees who chair committees have regular meetings with the appropriate senior staff. The Scheme of Delegated Authority (SoDA) is reviewed annually.
