Section 72 of the Education and Skills Act 2008 requires us to pass on certain information to Leicestershire County Council & Lincolnshire County Council who have responsibilities in relation to the education or training tracking. We may also share certain personal data relating to children aged 16 and over with post-16 education and training providers in order to secure appropriate services for them.

This data is used by Leicestershire County Council and Lincolnshire County Council to maintain a record of young people. This is used to keep track of young people to ensure they are offered appropriate support to remain in education, employment or training once they have left statutory education. Leicestershire County Council and Lincolnshire County Council also has a statutory duty to routinely report this data to the DfE.

The LA and school will then share your situation on leaving Statutory Education. This will be either in Education Employment or Training (EET) by type, Not in Education Employment or Training (NEET) by type or Unknown – the school may then share data back with the appropriate LA to confirm situations. This data will be shared to ensure that the school fulfil their responsibility to know the Destinations of all the young people who leave their education Post 16 and allow the appropriate Local Authority to fulfil their statutory duty to know the whereabouts of young people up to the end of the school year in which they turn 18.

The information we must pass on about you is your name, address, date of birth and destination. We may also be asked to pass on additional information about you – for example, your ethnicity - however you (if you are aged 16 or over) or your parents/carers (if you are aged under 16) can refuse for this additional data to be passed on. Please inform DPO@prioryacademies.co.uk if this is what you or your parents/carers wish.

You can read a copy of the Education and Skills Act 2008 at www.legislation.gov.uk
